Note: Dimensions and Specification are subject to change without notice.

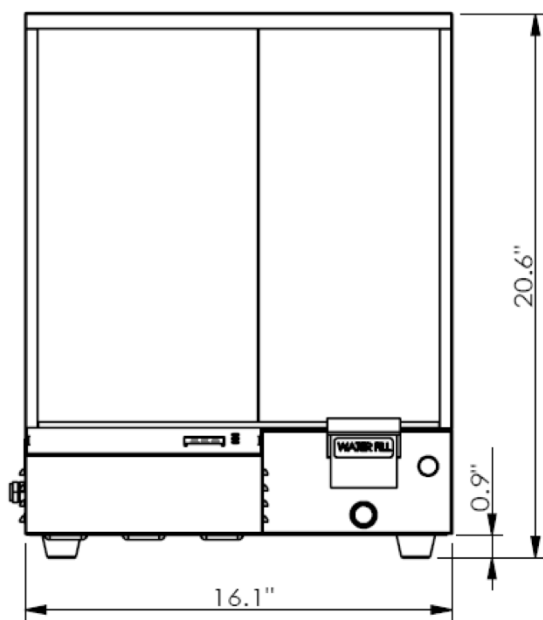

Cozoc hotdog and food steamer holds up to 164 hotdogs and 36 buns. The unique divided hotdog tray allows for different sizes of hot dogs or sausages to be cooked and merchandised simultaneously. Stainless steel construction, removable product trays and removable doors assure easy cleaning. The steamer is equipped with a digital temperature control system and a low water indicator alarm. Unit will automatically detect low water, sound alarm and automatically power itself down until water is added back into the unit. Once the unit detects water is added the steamer will automatically turn back on. Water fill is located on front of the unit.
