

# FROZEN BEVERAGE / ICE CREAM DISPENSERS

*Made In Italy*

**The Big Biz  
(1.6 Gallon Tank Capacity)**

With the same great technology and Italian craftsmanship as the Elmeco Millennium, but with tanks half as large, the Big Biz is perfect for smaller businesses. And, just like the larger model, the Big Biz does NOT require periodic seal replacement or a mandatory service contract. The innovative design of these machines makes them a powerful merchandiser and profit center for your business. Make all your favorite frozen beverages including smoothies, pina coladas, even cafe crema!

**WARRANTY:** 5 years Compressor, 3 years Electronics, 2 years Parts (except plastic, rubber & other wear items), 1 year Labor – supported by a National Service Network

**ABB-2**

## QUICKREAM COUNTERTOP SOFT SERVE ICE CREAM / GELATO

**100-Cone Capacity!**

- Quiet and energy-efficient
- Patented "Total Cold" refrigeration system keeps product at a constant temperature to the very last portion left in the machine
- Quick and easy to disassemble, the Quickream offers maximum hygiene for milk-based products

Soft-serve ice cream adds a huge boost to your business profits. Soft-serve machines, however, have always been a huge investment for caterers, mom & pops and new business startups. The Italian manufacturer Elmeco spent 75 years perfecting Slushy machines and their new Quickream dispenser is both affordable and dependable – the Entry-level bar to soft serve has finally been lifted. Get two and double your revenue!

**WARRANTY:** 5 years Compressor, 3 years Electronics, 2 years Parts (except plastic, rubber & other wear items), 1 year Labor
